EXPERIENCE

Shop LC, Round Rock TX - Visual Stylist

March 2019-Present

- Utilizes design sets, decorations, and assets to create beautiful and practical layouts for jewelry and merchandise for a nationally televised shopping channel
- Responsible for large quantities of high value jewelry and merchandise
- Overall creates and visually designs a beautiful atmosphere for customers to enjoy, reviewing every detail of the jewelry making sure it is perfect for display

Rosco Laboratories, Round Rock TX - Graphic Artist

December 2017-March 2019

- Worked in Photoshop and Illustrator daily to recreate and restore customer artwork such as icons, logos, and designs of various companies to deliver a polished and improved product
- Had to maintain and meet tight deadlines on a daily basis in a fast paced environment
- Completed several orders each day, making minimal mistakes and creating a beautiful product for the customer

Rosco Laboratories, Round Rock TX - Gobo Plater

September 2014-December 2017

- Created Illustrator documents and organized art files in Illustrator to be printed onto film and etched into metal to create gobos for entertainment lighting events

-
- Reviewed gobos in Illustrator and as final product to find and correct any possible mistakes, strong eye for detail
 - Had to maintain and meet tight deadlines on a daily basis in a fast paced environment

EDUCATION

Austin Community College - *Associates in 2D Animation Specialization*

2009-2015

Learned the process of working with a team in a studio using programs such as Photoshop, After Effects, Premiere, and Flash to create an animated show from start to finish. Developed my character design and storytelling skills which I continue to practice and perform today.
